

Academic achievement

The starting point of all achievement is desire

I am very much pleased to present the academic achievement of Dr. Lokman Das Public School. We achieved a number of things during the last 11 years as the school is progressing in the midst of many struggles. Here is a summary of all achievements that we have achieved in the last three year.

We congratulate these students for their excellent performance and extend warm wishes for their bright future.

❖ Parent Teacher Association

Alone we can do so little. Together we can do so much

A general body meeting of parents is held on a regular basis and new members of the PTA were nominated for the year 2020-21

Since PTA meetings have been arranged periodically, the PTA members of our school are closely involved in most academic activities. We thank and congratulate them for their support and cooperation through the years

❖ Academic activities

If you continuously compete with others, you become better, but if you continuously compete with yourself, you become better

Competition and academic activities that go beyond the text book and the class room encourage and competitive spirit and effective communication skills in the students. The activities are conducted at class room level, school level, and inter- house level. Some of these events are

- Hand writing
- Essay writing

- Speech competition – English and Hindi
- Poetry recitation– English and Hindi

Prizes are awarded during school assembly

Science, math's and English Olympiad are conducted every year and the students perform excellently at the local as well as district level

❖ **Literature**

Books are the carries of civilization. Without books, history is silent, Literature dumb, science crippled, thought and speculation at a standstill

Reading day was made memorable by a book exhibition in the school library the school subscribes to various educational and entertainment magazines and periodicals which are available for the student to borrow and read.

❖ **Art**

** A true artist is not one who is inspired but who inspires others**

Art integrated learning has been a hallmark of the school even before the CBSE mandated it as compulsory. An online art and craft completion has been conducted for classes 1 to 10th . Online certificates were give to all the participants of this competition.

❖ **Value education**

Education is not preparation for life, education is life itself

Value based education is given for self development and personality development. This is done with the aim to inculcate in students values like honesty gratitude, forgiveness, kindness, etc...

❖ **Training , seminars, orientation and counseling**

Each academic year training seminars and orientation programmers are conducted for teachers and students with dual focus to inspire and effectively implement innovative in teaching –learning practices as well as to take the students beyond their current level of learning .

This year 30 teachers were registered for different BSE training programmers.

❖ **Co- curricular and extracurricular activities**

These are essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in depth potential of students.

The activities are conducted through online are :

- Fancy dress
- Flower arrangement
- Card making
- Best out of waste
- Poster making
- Chart making

❖ **Games and sports competition**

When students are physically fit they will achieve more academically. Games and sports develop a sense of friendliness among the children and also build their team spirit . it helps children to develop mental and physical toughness. Bearing this in mind , the school provides ample opportunities for students to perform regular exercises and yoga , and to play and prove their mettle in various sports and games

The sports and games which were conducted this year are:

- Volleyball
- Kho-Kho for senior girls
- Yoga day
- Badminton for boys and girls

To be honest, all these achievements are gained due to the break less toil of the devoted teachers and the cooperation of the parents and all our well wishers.
