Dr. Lokman Das Public School was established in the year 2010 by Late Dr. Ashok Pachauri Advocate (Chairman)

By the inspiration of his loving & renowned father-in-law Dr. Lokman Das. The school is affiliated up to senior secondary level (2014) by Central Board of Secondary Education, New Delhi

We offer, Science, Maths and Commerce streams for senior secondary level

The school has been progressing continuously in the last eleven years, even though there were many hurdles to overcome.

There were 922 students and 60 staff members working here.

Following is a brief review of performance of the school:

- A. We have successfully implemented the changes in the assessment policy as per CBSE guidelines 2020-2021.

- F. We full-fil all the norms of safety , health and security as per guide lines of CBSE
- G. We have conducted seminars for Road Safety rules and Women Empower in the months of January and February 2021 respectively. These seminars have boosted the young minds of our school

All the above achievements are due to sincere discipline, determination, devotion, dedication and dreaming big by our teachers.

As far as our future plans are concerned:

- A. We are going to start **special support classes** by the subject experts for the students appearing in board examination
- B. The school plans to start **scouting for boys** and **guiding for girls** from the next session
